St. Agnes School Foundation

Christmas 2020

2020

The pandemic raged this Spring & our school was on the brink of closure.

Thanks to many, many supporters such as yourselves, a Reserve Fund for the school became a reality, which assures the Diocese of Rochester that our school has the resources to withstand an emergency situation.

St. Agnes School: A Safe Haven amid the Pandemic

As the pandemic came closer to Avon, families turned to St. Agnes School as a safe haven for

their children to receive their education. The small class sizes, personal attention, and prayerful community attracted many new families to the school and we saw an increased enrollment in almost every grade. Staffing had to be increased, to keep up with the cleaning and the new students. A new teacher and some assistants were hired. This increased enrollment meant more families requested financial assistance with tuition. Additional Chromebooks and other technology needs were required to prepare us for any future remote learning. Again, the Foundation was able to help with these efforts, thanks to your contributions.

Our needs do not stop here. We are dedicated to helping to advance the school's mission of providing a Catholic education for children starting their journey as peacemakers and enlightened citizens to the world.

As the year comes to a close, please consider a gift of education, no matter how small, to ensure the tradition will continue for today's children and tomorrow's leaders.
